**INTERNATIONAL
COMMUTING**

Seamless Transfer

Transportation services provided by:

The International Border Transfer Project is an award winning cooperative transfer agreement between Transit Windsor, in Canada, and United States transit agencies Detroit Department of Transportation (DDOT) and Suburban Mobility Authority for Regional Transportation (SMART). Commuters are able to travel between the two countries (via the Detroit-Windsor Tunnel) using public transportation. As the first international commuting project in North America, commuters can now travel to sporting events, recreation, culture events, shopping, dining, and entertainment in Windsor and the Detroit area. The service provides convenience for a minimal charge.

Proof of citizenship is required when crossing the Detroit-Windsor Tunnel.

Transfer Policies:

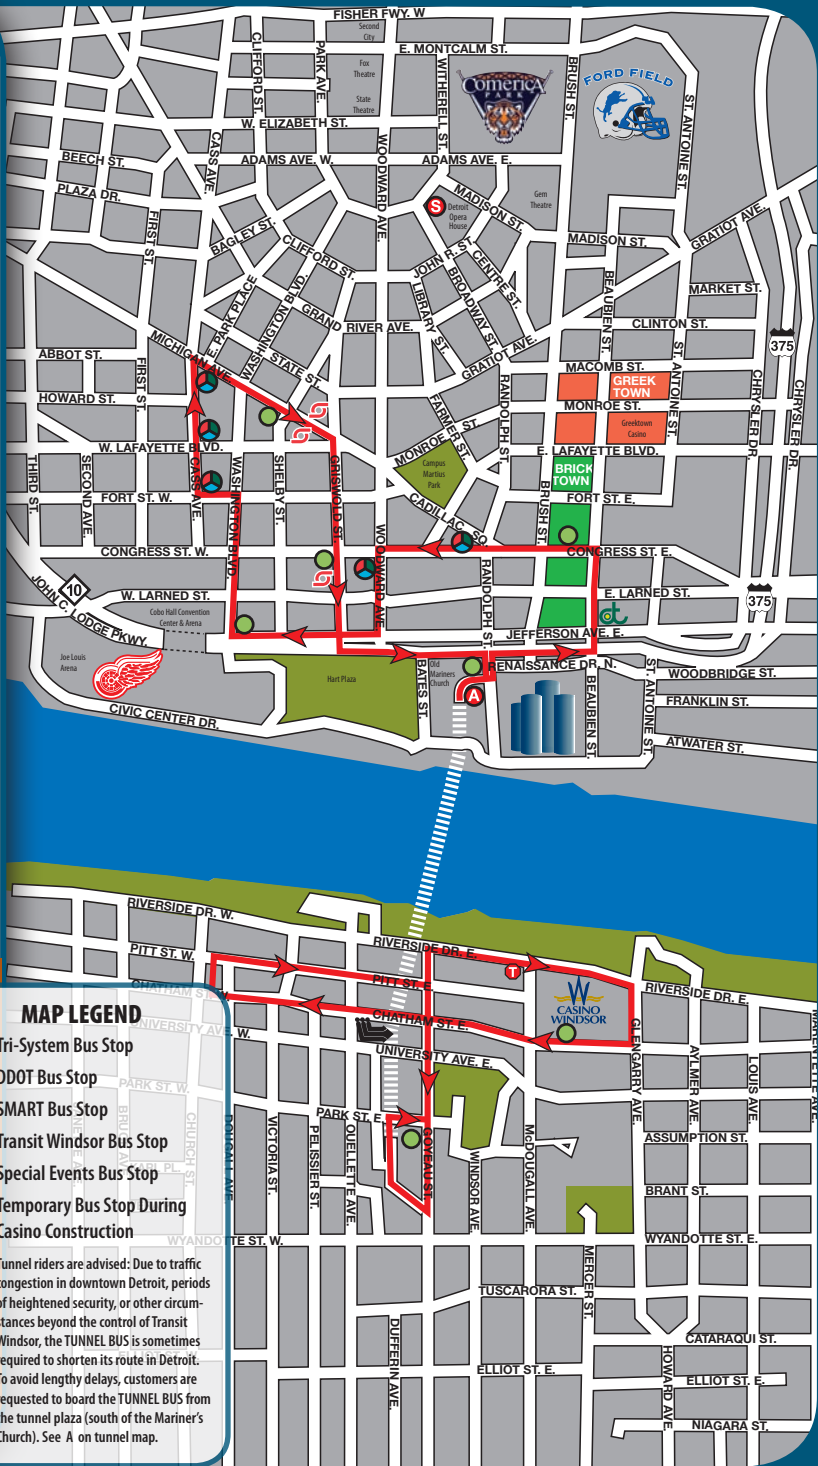

- Transfers are valid up to the tear-off time indicated on the transfer, which will allow a minimum of two hours (DDOT) or three hours (SMART) to complete the journey.
- One transfer will be issued per person at the time of boarding and are non-transferable.
- The transfer agreement does not apply to Transit Windsor’s regular service (the agreement applies only to the Tunnel Bus service).
- All fares paid on DDOT coaches must be made with U.S. currency. **Exchange rates do not apply.**
- In case of any disagreement or dispute over the validity of the international transfer, passenger will pay full fare and contact the originating transit system for possible resolution

From Windsor to Detroit

- 1 Pay the \$3.75 Tunnel Bus fare and request a free transfer.
- 2 Use the transfer to board any DDOT or SMART bus in downtown Detroit (Central Business District).
- 3 If the passenger needs to transfer to a second SMART bus, a transfer must be purchased for twenty-five cents (\$0.25) and can be used for two rides.

From Detroit to Windsor

- 1 Pay the \$1.50 DDOT or SMART fare plus \$0.25 for a transfer, on any coach traveling to downtown Detroit.
- 2 Board the Tunnel Bus (see map), present the DDOT or SMART transfer, and pay a reduced Tunnel Bus fare of 2.25 (a savings of one dollar fifty cents).
